

## Got to this route to create account

- By clicking on create you can create new account just like below
- /signup

The screenshot shows a 'Create and account' form on a light gray background. At the top right is a logo with a car icon and the text 'GetYourRide!'. The form has a white header with the title 'Create and account'. Below it are five input fields with placeholder text: 'Your FirstName' (Rider), 'Your LastName' (Test), 'Your email' (rider@gmail.com), 'Your phone' (9876543210), and 'Password' (four dots). There are two additional password fields below the first one, also showing four dots. A checkbox labeled 'I accept the Terms and Conditions' is followed by a blue button labeled 'Create an account'. At the bottom, a link says 'Already have an account? Login here'.

## Go to this route to login

- Here we login with rider account and we also create one more account for ride provider
- /login

The screenshot shows a 'Sign in to your account' form on a light gray background. At the top right is a logo with a car icon and the text 'GetYourRide!'. The form has a white header with the title 'Sign in to your account'. Below it are two input fields: 'Your email' (rider@gmail.com) and 'Password' (four dots). There is a blue button labeled 'Sign in' at the bottom. At the very bottom, a link says 'Don't have an account yet? Sign up'.

## Home Page for users

- You can search source and destination

The screenshot shows the homepage of the GetYourRide app. At the top, there's a navigation bar with the logo 'GetYourRide' and links for 'Home', 'Rides', 'Ride Requests', 'Shared Rides', and 'Contact Us'. On the right is a user icon with a notification badge showing '0'.

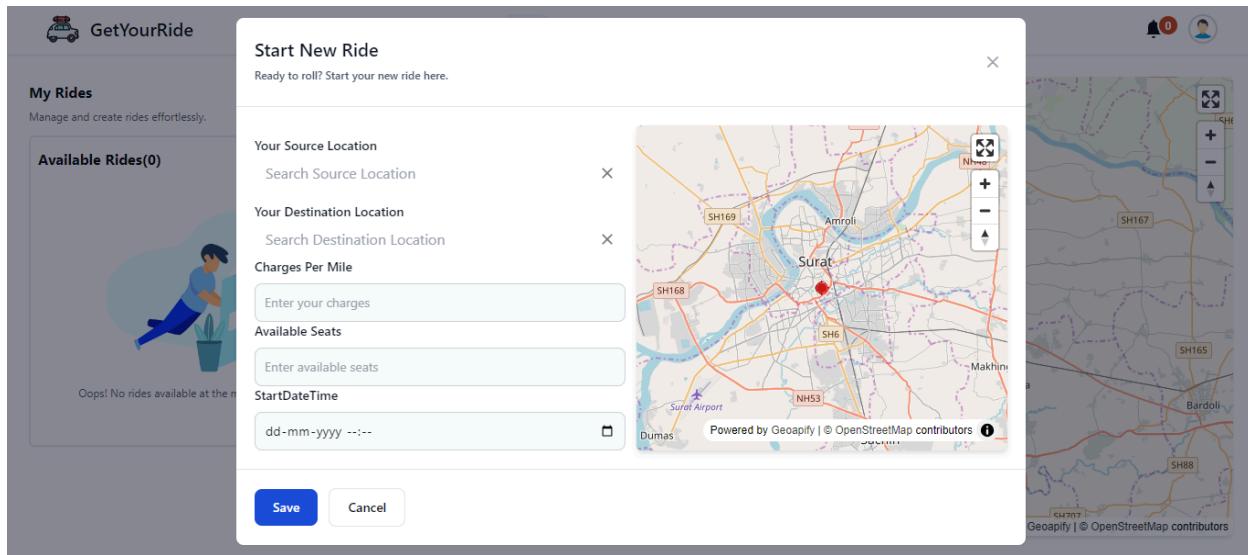

The main area has two sections: 'Get a ride' on the left and a map on the right. The 'Get a ride' section contains fields for 'Search Pickup Location' and 'Search Dropoff Location', both with clear buttons, and a large 'Search' button. Below these fields is an illustration of a person interacting with a smartphone. A message at the bottom says 'Ready to explore? Begin your journey by searching for routes!'. The map on the right shows the city of Surat with major roads labeled: SH167, SH168, SH169, SH6, NH64, NH48, NH53, NH6, Dumas, Sachin, Makhang, Bardoli, and Surat Airport. A red dot marks the center of Surat.

## Got to ride tab to add your ride

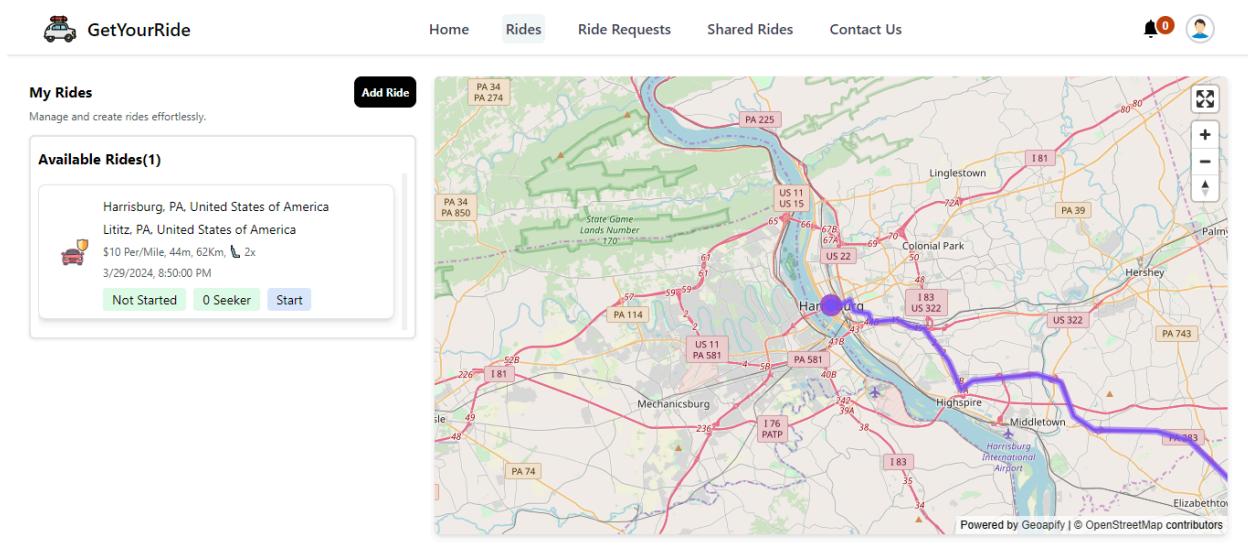

- For user who provide ride

This screenshot shows the 'Rides' tab of the GetYourRide app. The top navigation bar is identical to the home page. The main content area features a 'My Rides' section with a heading 'Available Rides(0)' and a message 'Oops! No rides available at the moment. Check back soon!' accompanied by an illustration of a person using a smartphone. To the right is a map of Surat with the same road network and location markers as the home page.

- Click on Add Button to create**
- Fill details and then save it

Add source , destination, charges, seats, and start date time and click on save button to will reflected to available rides

By clicking on available ride you will see route in side map

Now go to home from rider account and search route just like below image if any ride match then you will see available rides

Request For Ride

When you request for ride this will show in notification in ride provider account like below

The screenshot shows the 'Notifications' section of the GetYourRide provider dashboard. A modal window displays a ride request from Harrisburg, PA to Lititz, PA. The details include: Harrisburg, PA, United States of America To Lititz, PA, United States of America; \$10 Per/Mile, 44m, 62Km, 2x Available; Pickup: 3/29/2024, 8:50:00 PM. The modal has three buttons: Pending, Accept, and Cancel. In the background, a map shows the route from Harrisburg to Lititz, with various roads labeled (e.g., NH48, SH167, SH165, SH88, NH14). The map is powered by Geoplify and OpenStreetMap contributors.

By clicking on notification icon you will see notification section

Now provider will accept this request and accepted request is visible in shared rides tab like below

The screenshot shows the 'Shared Rides' section of the GetYourRide provider dashboard. A modal window displays a shared ride request from Harrisburg, PA to Lititz, PA. The details include: Harrisburg, PA, United States of America To Lititz, PA, United States of America; \$10 Per/Mile, 43m, 61Km, 2x Available; Pickup: 3/29/2024, 9:33:34 PM. The modal has three buttons: Payment Pending, View Map, and Chat.

And for ride seeker you will see in Ride requests tab

The screenshot shows the 'Ride Requests' section of the GetYourRide ride seeker dashboard. A modal window displays a ride request from Harrisburg, PA to Lititz, PA. The details include: Harrisburg, PA, United States of America To Lititz, PA, United States of America; \$10 Per/Mile, 43m, 61Km, 2x Available; Pickup: 3/29/2024, 9:33:34 PM. The modal has four buttons: Payment Pending, View Map, Make Payment, and Chat. There is also a 'Cancel' button at the bottom.

Now ride seeker will make payment by clicking on make payment button using razorpay payment gateway

The image consists of three vertically stacked screenshots illustrating the payment process:

- Screenshot 1: Payment Request from Ravi Panchal**

This screenshot shows a payment request from "Ravi Panchal". The total amount is \$ 610, secured by Razorpay. The payment is for a "Payment For Your Ride Sharing Request". The receipt ID is 1711639398501:66058abc56796d10d143e524. It expires on Sep 28, 2024 (8:53 PM). The amount payable is USD 610.00. A "Pay using Card" button is visible.
- Screenshot 2: Add New Card**

This screenshot shows the "Add New Card" step. It includes fields for Card Number (4111 1111 1111 1111), Expiry (02 / 28), Card Holder's name (Test), and CVV (• • •). There is also an option to "Save card securely for future payments" with a "Know More" link. The total amount is \$ 610.
- Screenshot 3: Razorpay | OTP Page - Google Chrome**

This screenshot shows the Razorpay OTP page. It displays payment details: PAYING TO Ravi Panchal, TOTAL AMOUNT \$ 610, and DATE 28 Mar 2024. It features a "ENTER OTP" field containing "1111", a "Submit →" button, and links for "Cancel" and "Resend OTP". Below the form, it says "Secured by Razorpay" and "Verified by VISA".

Fill dummy details as per above image then click on pay now and then success it will redirect you to payment success page and then Ride request page

You will see here payment is done and status changed to Not Pickup, you can also view complete route by clicking on view map

The screenshot shows the 'Your Ride Request(1)' section of the website. It displays a location pin icon and the route details: Harrisburg, PA, United States of America To Lititz, PA, United States of America. Below the route details, it says '\$10 Per/Mile, 43m, 61Km, 1x Available' and 'Pickup: 3/29/2024, 9:33:34 PM'. At the bottom of the card are three buttons: 'Not Pickup' (green), 'View Map' (light green), and 'Chat' (blue).

Now ride provider will start ride from Ride tab by click on start button

The screenshot shows the 'My Rides' section with a large 'Available Rides(1)' card. Inside the card, the route is listed as 'Harrisburg, PA, United States of America' to 'Lititz, PA, United States of America'. It includes a car icon with a yellow ribbon, '\$10 Per/Mile, 44m, 62Km, 1x', and '3/29/2024, 8:50:00 PM'. Below the route details are three buttons: 'Not Started' (green), '1 Seeker' (light green), and 'Start' (blue). To the right of the card is a map showing a route highlighted in orange and purple, with a callout box labeled 'SH84'.

And then if any seeker is available then it will Pickup from SharedRide Tab, after ride started

The screenshot shows the 'Shared Rides' section with a card for the same route: 'Harrisburg, PA, United States of America To Lititz, PA, United States of America'. It includes a car icon with a yellow ribbon, '\$10 Per/Mile, 43m, 61Km, 1x Available', and 'Pickup: 3/29/2024, 9:33:34 PM'. At the bottom of the card are four buttons: 'Not Pickup' (green), 'View Map' (light green), 'Chat' (blue), and 'Pickup' (orange).

Then can also do chat

## Ride Provider

The screenshot shows the GetYourRide Ride Provider interface. At the top, there are navigation links: Home, Rides, Ride Requests, Shared Rides (which is selected), and Contact Us. There are also notification icons (bell with 0) and a user profile icon.

In the main area, there's a section titled "Shared Rides(1)" with the sub-instruction "View and manage your shared ride requests." Below this, a card displays a ride request from "Provider" to "Ride Test". The details are: Harrisburg, PA, United States of America To Lititz, PA, United States of America. The ride is for \$10 Per/Mile, 43m, 61Km, 1x Available. It was picked up on 3/29/2024, 9:33:34 PM. Buttons for "Not Pickup", "View Map", "Chat", and "Pickup" are shown.

A floating chat window titled "Provider Test" is open, powered by GetYourRide. The provider has sent the message "hi". The rider has responded with "You hii". A text input field "Type your message" and a "Send" button are at the bottom of the chat window.

At the bottom left, it says "Rights Reserved."

## Ride Seeker

The screenshot shows the GetYourRide Ride Seeker interface. At the top, there are navigation links: Home, Rides, Ride Requests (which is selected), Shared Rides, and Contact Us. There are also notification icons (bell with 0) and a user profile icon.

In the main area, there's a section titled "Your Ride Request(1)" with the sub-instruction "View and manage your ride requests with pending requests." Below this, a card displays a ride request from "Rider Test" to "Provider". The details are: Harrisburg, PA, United States of America To Lititz, PA, United States of America. The ride is for \$10 Per/Mile, 43m, 61Km, 1x Available. It was picked up on 3/29/2024, 9:33:34 PM. Buttons for "Not Pickup", "View Map", and "Chat" are shown.

A floating chat window titled "Rider Test" is open, powered by GetYourRide. The rider has sent the message "hi". The provider has responded with "You hii". A text input field "Type your message" and a "Send" button are at the bottom of the chat window.

At the bottom left, it says "© 2023 GetYourRide™ All Rights Reserved."
